INTRODUCTION

Patryk Mroziński

Game Developer & UI/UX Designer

I design and build polished, intuitive websites and web applications. Leveraging a strong background in UI design and shipping real products in the games industry, I now focus on creating engaging frontend experiences that blend clean code with user-centric design.

PROFESSIONAL EXPERIENCE

Freelance — Aug 2023 — Present

Web Developer & Designer

Designing and developing custom websites, portfolios, and web applications. Translating UI/UX mockups into responsive, accessible interfaces using modern frontend technologies.

MadMind Studio, Poland — Jan 2022 — Jul 2023

Game Designer

Designed immersive, intuitive UI for Agony: Lords of Hell — led Kickstarter campaign UX and pitch materials. Owned design-to-production pipeline. Drove idea generation, rapid prototyping, and content validation cycles.

MadMind Studio, Poland — Jan 2021 — Mar 2023

QA Test Lead

Shipped Succubus to 80%+ positive on Steam via systemic QA overhaul. Built a Python automation tool for bug reporting — cut reporting time and improved dev communication. Led process improvement team; overhauled QC measures across the studio.

PlayWay S.A. & MadMind — Sep 2017 — Dec 2020

Manual QA Tester

Covered 60+ projects across PC, console and Switch — House Flipper, Car Mechanic Simulator and beyond. Built automated test scripts; documented procedures adopted by future QA cycles.

OPEN SOURCE & PROJECTS

Scribble — In dev

Visual sticky note app with a twist — designed for wrist-first interactions. Built with Jetpack Compose.

WearSweeper
